## NEW YORK RACING SEASON WILL OPEN WITH CARTER

The Runners Will Transfer Their Scenes of Activity to Aqueduct on Long Island.

(By Associated Press.)  
NEW YORK, April 13.—The Metropolitan Racing season of 1907 will open Monday at the Aqueduct Race course of the Queen's County Jockey Club with the \$10,000 Carter handicap at the feature. Nineteen horses of undoubted calibre with the famous old champion sprinter Roseben at the head of the list are posted starters in the handicap. Roseben was the winner of the Carter handicap last year and this aged Benstream gelding holding the world's record at the dis-

tance—seven furlongs—undoubtedly will go to the post as favorite. He probably will be closely pressed in popular favor by Demand, who is reported from Benning to have rounded into a three-year-old of merit. Brookdale Nymph is nicely placed with only 115 pounds up. In fact handicap perverse has been lenient with every one of the 19 probable starters. Demand's weight 108 pounds ought not to stop a good horse and the Carter will be a test of his ability.  
Malena comes to the Carter fresh from a victory in the first division of the Benning spring handicap, and with only 90 pounds to carry ought to go well over the course. The race as it looks tonight has a decidedly open appearance. The other probable starters are, Oxford 122, Florifer 119, Brookdale Nymph 115, Pretension 114, Rye Avanteur 109, Juggler 110; Don Diego Comedienne 110; Orbicular 105, Colonel Jack O'Nite 99; Tiling 97; Marster 93, Amped 90.

## GOOD CARD CLOSES BENNING'S SPRING MEET

The Third Running of the Jesse Brown Cup Brought Out a Fast Race.

(By Associated Press.)  
WASHINGTON, D. C., April 13.—Three interesting events today marked the last card of the spring meeting of the Washington Jockey Club at Benning—the third running of the Jesse Brown cup, the eighth running of the second Benning spring handicap and the eighth spring hunters' steeplechase. In the Jesse Brown cup race, interest was confined principally to the two horses, Billy Hibbs and Jubilee. Miller had the mount on the former and Radtke on the latter. Billy Hibbs was made an odds on favorite. Miller rushed him to the front at the start and he had not trouble afterward, winning easily by the two lengths from Jubilee with Tray of Spades third. Rose of Dawn won the Benning handicap, but had to be ridden out to get the decision. The spring hunters' steeplechase was easy for Essex, the 10 to 2 favorite.

## New Orleans' Racing Season Ends.

(By Associated Press.)  
NEW ORLEANS, LA., April 13.—The longest winter racing season in the history of New Orleans tracks closed today. To celebrate the wind-up City Park track offered two stake events each \$1,000 added, the Ladies stake and the Orleans handicap. Whiskbroom, favorite in the Ladies stakes finished outside the money while Black Mary, second choice won easily. The favorite in the Orleans handicap, Colquhay, also finished outside the money. Royal Breeze won in the last stride.

## Michigan Out of Big Nine.

(By Associated Press.)  
CHICAGO, ILL., April 13.—All athletic relations between the University of Michigan and the other colleges composing the Western Athletic College conference, (Big Nine) were severed today because of the indisposition of Michigan to observe the rules of the conference adopted at the close of the football season of 1905, limiting the time of football athletics to three years and the number of football games to no more than five.

## Baseball Notes.

A New York American never have played a game with a National League club.

Pitcher Doc White does more running for fly balls than pitching to get fit for the championship tussle.

Interesting are the changes which baseball works. There is Tommy Corcoran back in Greater New York again after fifteen years in the west.

J. B. Haggin, the millionaire turfman and breeder, seems to be a baseball enthusiast. Names of some of his two year olds are Catcher, Pitcher, Fielder, League and Umpire.

Frank Dwyer, the former pitcher and umpire, now a police commissioner of Geneva, N. Y., has had a double addition to his family, a boy and a girl. This is the second time he has been the father of twins. Dwyer says he is going to send the youngest boy down to ride in the Carter Handicap.

Out in Chicago the opinion is expressed that the American League pennant lies between Chicago, Cleveland and New York. But Comiskey says he cannot see anything that will beat out the White Sox. If Comiskey had a telescope that reached to Washington Heights his vision would be clearer.

George B. Cox has given an opinion to Thomas G. Loran, a lawyer of Cincinnati, on his third interest in the Cincinnati club, which is capitalized at \$250,000. Cox, it is said, recently demanded that the Cincinnati team give results or change its management.

As between the weather and the National schedule makers, the joke is on the latter. It is not the first time and won't be the last time if the National Leaguers insist on opening the pennant season at such a ridiculously early period. Had Ben Johnson had his way this year the openings would have been deferred until April 20. A toss of coin decided the matter, Johnson tossed with Garry Herrmann and lost and so the early date was chosen.

"Milwaukee is the funniest baseball town in the country," says How-

ard Camitz, who was in the American Association last season. "The fans there are funny without knowing it. It is nothing unusual to hear one of them shout: 'Pud Id town by Schmidt; he vill make you oud quick!'"

## Gossip of the Boxers.

John Willie a Chicago heavyweight, and "Mike" Schreck, of Cincinnati, have been matched to box six rounds before the Casino Athletic Club, of Tonopah, Nev., on April 15.

Joe Thomas, of California, and "Willie Lewis, a New York welterweight, will meet in a twenty round bout within two weeks. They will weigh in at 150 pounds at three o'clock on the day of the battle. The name of the club in whose arena the rival pugilists will box will be announced tomorrow.

"Jack Keogh, a local bantamweight, offers to fight any 110 or 112 pound box twenty rounds for a purse and side bet.

Efforts are being made to arrange a twenty round bout between "Digger" Stanley, of England, and "Jimmy" Moran, to take place in London in June.

"Fredd" Weeks, of Cripple Creek, Col., and Harry Baker, of San Francisco, have been matched to box six rounds before the National Athletic Club next Saturday night.

"Billy" Melody has left for San Francisco, where he will train for his twenty round bout with "Twin" Sullivan, which is to take place before the Pacific Athletic Club, of Los Angeles, Cal., on April 23.

Win or lose in his match with "Abe" Attell, before the National Athletic Club of Philadelphia, next Wednesday night, "Spike" Robson says he will sail for England on April 9.
